

NAME: _____

Aural Multiple Choice Questions*

Practice Sheet # _____

Directions: Questions 1-6 ask you to identify the pitch patterns heard. In each case, the question number will be announced and you will have ten seconds to read the choices. You will then hear the musical example played twice, separated by a brief pause. Now prepare to hear **Questions 1-6** and identify the pitch patterns played.

1. Which of the following is played?

2. Which of the following is played?
